

MAKENTHIRAN DALAXSHAN

SOFTWARE ENGINEER

PROFILE

I'm a Software Engineer with a BSc in Information Technology from SLIIT (Sri Lanka Institute of Information Technology). My professional journey includes **2 years** as a Software Engineer at The Web Sushi, **1+ year** as a Senior Software Engineer at Agroventures, and a role as Team Lead at Neon Labs, alongside **1+ year** as a part-time Lecturer at Skyup Campus. I'm proficient in multiple programming languages, with basic hands-on knowledge of AWS, Cloudflare, Hostinger, and Nginx configuration
